

Lang zal ze (-ie) leven ~ in de toonsoort C

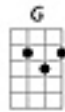

4/4 Dit betekent: in elke maat zitten 4 tellen // //

Die kun je, om te beginnen, spelen als *downstroke*, oftewel van boven naar beneden strijken over alle snaren (met je wijsvinger of duim). Er zijn natuurlijk heel veel verschillende *strums* maar op de tel spelen is een goed begin om te leren de maat strak te houden en de akkoorden te wisselen.

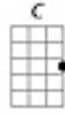

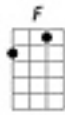

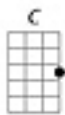

(= 2 maten van elk 4 tellen)
